

It's Easy Being **GREEN** with
www.FabricBanners.com

Washing Instructions

Fabric Banners are 100% machine washable. Normal washing setting is fine. Cold water is recommended. (PLEASE NO BLEACH).

The banners are also dryer safe. If possible, dry them alone. Cooler setting is recommended.

Dry Cleaning Instructions

Fabric Banners are Dry Cleaner Safe.

Ironing Instructions

Generally, Fabric Banners do not need to be ironed. If you do want to iron them, please use a low setting. As with any fabric, if the iron starts to stick - the setting is too HOT.

Since Fabric Banners is a “Green” company - we do recommend washing over drying cleaning as a more environmentally friendly cleaning method.
